FAT.X - BRISBANE CBD FASHION WALK - 3rd of October 2025

FAT.X - CBD FASHION WALK

The **FAT.X CBD Fashion Walk** is designed as the public showcase of German designer Lennart Bohle's collection in the heart of Brisbane. While his work will first be presented at the exclusive **Brisbane German Week Opening Night Gala** on the **1st of October 2025**, attended by **Queensland Premier David Crisafulli**, **Lord Mayor Adrian Schrinner** and an invited audience of political, cultural, and community leaders, the

CBD Fashion Walk on the **3rd of October 2025** extends this experience to the wider public.

Taking place between 12:00 pm and 2:00 pm (Start at Oscar Oscar Salons, Queens Plaza), the walk will see two professional models dressed in Bohle's designs move through **Queen Street Mall**, making their way along the bustling thoroughfare to the entrance of the **old Treasury Casino**. This symbolic route highlights both Brisbane's commercial heart and its historic architecture, blending contemporary European fashion with the city's urban fabric.

Unlike the Gala, which offers a more intimate and private setting, the Fashion Walk is an open cultural activation. Passers-by will unexpectedly encounter high fashion as part of their everyday routine, whether shopping, working, or meeting friends in the CBD. By doing so, FAT.X underscores the idea that fashion is not only for exclusive audiences but can also be shared with the community in vibrant public spaces.

This dual presentation format reflects the philosophy of **FAT.X - Fashion Talents Xchange**, which fosters cross-cultural collaboration between emerging Australian and German fashion designers. The Fashion Walk becomes both a literal and symbolic journey: a moving runway that makes design innovation accessible, engaging, and democratic.

In essence, the FAT.X Fashion Walk brings the international stage into Brisbane's streets, weaving together art, culture, and community in a living exchange that celebrates creativity across borders.
